hello@rakibdesigns.com   +880 1811112979

Dynamic and result-driven multidisciplinary designer with over 5 years of expertise in UI/UX, graphics, motion design, and No-Code web development. Adept at leading teams and crafting innovative, user-centric solutions.

I have successfully contributed to the development of enterprise-level products that enhance user experiences and drive business growth.

WORK EXPERIENCE

UI UX Designer │ Nybsys Inc (USA)

Dhaka, Bangladesh • On-Site • Nov 2023 - Present

Nybsys Inc., a provider of telecommunications equipment located in San Jose, California. My focus, based at the Bangladesh office, revolves around elevating the user experience of their products.

I am currently working on a finance management software, which was recognized as Eswatini's highest taxpayer in the IT sector in 2024. I collaborate closely with key stakeholders and the senior software architect.

Designed a 5G network management software for Grameenphone Bangladesh and continuously working, which will be featured at MWC 2025 at Barcelona.

UI UX & Digital Designer │ ReGov Technologies (Malaysia)

Malaysia • remote • July 2022 - Sep 2023

Regov Technologies is a Malaysia-based FinTech company providing automation solutions to asset management companies (AMCs) and other financial institutions.

Contributed to the design of myBID, a Web3-based digital identity app that addressed subsidy distribution challenges for the Malaysian government and reduced national ID operational costs by up to 40% for the Nauru government.

Designed an e-voting app that allows users to securely vote for the government using their mobile devices.

UI UX Designer │ Leadific Solution & Dittofi (USA)

USA • remote • part time • May 2022 - Sep 2022

Leadific is automation software developed to streamline marketing automation in the US by eliminating the need for multiple systems.

Redesigned the CRM software in collaboration with a UX designer and key stakeholder.

Previous freelancing experience

Upwork - Top rated (worked 1.2 years)   99Designs - Mid Level (worked 2 years as brand designer)
